

# DNP Select Income Fund Announces 'At-The-Market' Offering Program

CHICAGO, June 26, 2018 /PRNewswire/ -- The Board of Directors of DNP Select Income Fund Inc. (NYSE: DNP), a closed-end fund advised by Duff & Phelps Investment Management Co., announced today that it has filed a prospectus supplement under which it may issue and sell, from time to time, up to an aggregate of \$250 million of its common stock under an "at-the-market" equity offering program (the "ATM Program") through Wells Fargo Securities, LLC. The fund expects to use net proceeds of the ATM Program to purchase additional portfolio securities consistent with its investment objectives and policies as set forth in its prospectus.

The existence of the ATM Program does not change the manner in which current and prospective investors may place orders to purchase the fund's common stock. Current and prospective investors interested in purchasing Shares should contact their investment adviser or broker/dealer.

A copy of the fund's prospectus, including the prospectus supplement relating to the ATM Program, and the fund's statement of additional information may be obtained on the SEC's website at [www.sec.gov](http://www.sec.gov). The prospectus, including any supplements, may also be found on the fund's website [www.dnpselectincome.com](http://www.dnpselectincome.com).

This news release shall not constitute an offer to sell or the solicitation of any offer to buy the securities discussed herein, nor shall there be any offer, solicitation or sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state. An investment in the fund is subject to a risk of loss, and the risks of investing in the fund are fully described in the fund's prospectus. An investor should consider the fund's investment objectives, risks, and charges and expenses carefully before investing. The prospectus supplement, as well as the prospectus, contains this and other information about the fund. An investor may obtain a prospectus supplement, as well as the prospectus, as set forth in the above paragraph. The prospectus supplement and prospectus should be read carefully before investing.
