(1) YTD February 1, 2011 to January 9, 2012. (The distribution paid on January 10, 2011 was reportable for tax on Form 1099 in 2010)

The Fund estimates that it has distributed more than its income and net realized capital gains; therefore, a portion of your distribution may be a return of capital. A return of capital may occur, for example, when some or all of the money that you invested in the Fund is paid back to you. A return of capital distribution does not necessarily reflect the Fund's investment performance and should not be confused with "yield" or "income."

The amounts and sources of distributions reported in this notice are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund's investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. The Fund will send you a Form 1099-DIV for the calendar year that will

changes based on tax regulations. The Fund will send you a FORM 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.

Information regarding the Fund's performance and distribution rates is set forth below. Please note that all performance figures are based on the Fund's NAV and not the market price of the Fund's shares. Performance figures are not meant to represent individual shareholder performance.

<i>Average Annual Total Return on NAV for the 5-year period ended July 31, 2011 (2)</i>	5.85%
<i>Current Fiscal YTD Annualized Distribution Rate (3)</i>	10.38%

<i>YTD Cumulative Total Return on NAV (4)</i>	4.54%
<i>YTD Cumulative Distribution Rate (5)</i>	6.05%

Average Annual Total Return on NAV is the annual compound return for the five-year period. It (2) reflects the change in the Fund's NAV and reinvestment of all distributions.

Current Fiscal YTD Annualized Distribution Rate is the cumulative distribution rate annualized as a (3) percentage of the Fund's NAV as of July 29, 2011.

YTD Cumulative Total Return on NAV is the percentage change in the Fund's NAV from January 1, (4) 2011 to July 31, 2011, including distributions paid and assuming reinvestment of those distributions.

YTD Cumulative Distribution Rate is the dollar value of distributions from January 1, 2011 to July 31, (5) 2011 as a percentage of the Fund's NAV as of July 29, 2011.
